Member Expectations

You are applying for membership in the Rotary Club of Greenville Evening, one of only a few Rotary clubs in SC designated as a **100% Paul Harris Fellow Club**. If accepted, you will also become part of Rotary International, the world's most respected service organization. There are more than 1.2 million Rotarians in over 33,000 clubs in over 200 countries.

An effective Rotary club requires a team effort. Being a Rotarian is not just coming to meetings and paying dues. It is working together to develop friendships and network while providing Service Above Self. It takes a commitment of personal involvement to make the most of your Rotary experience. We also understand that family and business come first and the club has a responsibility to make Rotary a good experience for all its members.

We want you to be sure of what is expected of you before you join our club. The first year in Rotary is very important and we have established a set of minimum expectations, intended to get new members acquainted with other members of the club and involved in our projects. These expectations are listed on the Mentoring Worksheet that you and your assigned mentor will complete. Please discuss with your Rotary sponsor what is expected of Rotarians in our club. An important point to recognize is that **we want new Rotarians and not new Rotary Club Members**.
